March 31, 2017

Parthasarati Dileepan, Chair
H. Lyn Miles (2nd Year)
David Sachsman (3rd Year)

No investigatory cases came before the committee during the academic year 2016-2017.

Two advisory cases came up during the academic year 2016 - 2017. The first involved working conditions and was resolved to the satisfaction of the concerned. The second involves termination. This is an ongoing case and may turn into an investigatory one.

During the academic year 2016 – 2017 the committee was also involved in assisting the Handbook Committee with revising the Faculty Handbook relating to the functioning of the committee in a manner that will preserve and strengthen the committee. This is still an ongoing task.
