Special Issue: Psychology in Everyday Life
Volume 13
Number 3
2008
Statement of Purpose

Modern Psychological Studies (MPS) is a psychological journal devoted to publishing manuscripts by graduates and undergraduates and is edited and reviewed by graduate students. The theme of this special issue of MPS, intended to coincide with the River Cities Industrial-Organizational Conference, is psychology in everyday life. Our aim is to highlight research that is both theoretically sound and practically relevant. We hope that you find that we accomplished this goal.
