This completes volume one of *Modern Psychological Studies*, a journal of undergraduate psychology, seeking to present the best and broadest range of modern psychology. The journal is edited entirely by undergraduate students. All readers are undergraduate psychology students. No faculty are involved in the selection of articles or production of this journal. All articles are authored by undergraduate psychology students. If articles are co-authored, the senior author is an undergraduate psychology student. *Modern Psychological Studies* is published twice yearly, with a Spring and a Fall issue. Individual copies may be ordered for \$3.00; a yearly subscription (two issues) for \$5.00.
